 - c. We genuinely care if you had a good lesson
 - d. We are very safe, really good, and ridiculously nice.
- 3) Price includes transfer to kite beach for clients doing lessons, only. Sorry we cannot transfer wife, kids, husbands, boy/girlfriends, pets, imaginary friends.
- 4) Price includes all the equipment, a smile, and happiness.
- 5) Prebooked clients have priority over spaces. This year we have chosen to have a smaller team to increase quality and happiness, so spaces will be limited.
- 6) Please bring sunscreen, towel and maybe some water and something to wear in the wet suites, please do not go commando/naked.
- 7) If you are alone we will TRY OUR BEST to match you with someone that is a similar level.
- 8) From a boat we use 1 kite between 2 people.
- 9) *Note the number of hours can change in relation to the size of the group: if there is not a group the 2hour group lesson becomes a 1.5hours private lesson

*If you cancel 48 hours or more before your lesson, you will be charged the individual price for what you have done and refunded the difference. If you cancel 24hours or less you will still be charged for the lesson. However, if can find someone else to take your spot, then there is no charge.
