As SAFETY is out number 1 priority we have set some rental guidelines for your safety, for those around you, for the fish, and for the material.

You must be able to ride UPWIND in deep ocean water, in order to rent. (go out and come back to the SAME place on a board in an ocean looking good and know how to launch from land)

The rental is for the renter ONLY and cannot be used to teach other people or shared with others.

When not using the kite please deflate the front tube and leave it in the shade, please treat our material as if it were your own, with love.

*Please have a really fantastic time, be safe, and enjoy the huge freedom that comes with kiting where no one can text, twitter, call, facebook or fax you.*
